*Dear Bondholder,*

## *Automatic Credit of Interest to your Bank Account.*

*Rural Electrification Corporation (REC) is contemplating to offer you Electronic Clearing Service (ECS) facility. By using ECS, we would be able to DIRECTLY credit your account with the interest as well as redemption payouts, as per RBI guidelines.*

*Apart from the convenience of not having to go to the bank to deposit your cheques, the ECS facility ensures greater security. This means that you are protected from postal delays or losses and also from fraudulent encashment of your cheques.*

*As this service is FREE, we urge upon you to avail of it by following the simple procedure outlined below :*

*Step I : Check whether you reside in any one of the cities mentioned on the application form. At present this service is available at 44 cities (Detailed overleaf). Bondholders residing at places where ECS facility is not available may kindly submit their bank details, if not provided earlier, to enable the Corporation (REC) to incorporate the same in records.*

*Step II : Fill in the application form on the reverse of this letter. Make sure that you attach a photocopy of your cheque or blank cancelled cheque leaf.*

*The bondholders holding bonds in Demat mode are requested to forward their ECS particulars only to their Depository Participant (DP) for incorporation in their records.*

*Sincerely yours,*

*For Rural Electrification Corporation Limited*
